登場人物

播井 乃梨子
NORIKO HARII

The protagonist of this story. Formerly afflicted with chuunibyou. Unfortunately, still has not completely recovered. Her meeting with Rhianna caused her to awaken to various dispositions she did not realise she had, though she refuses to accept them.

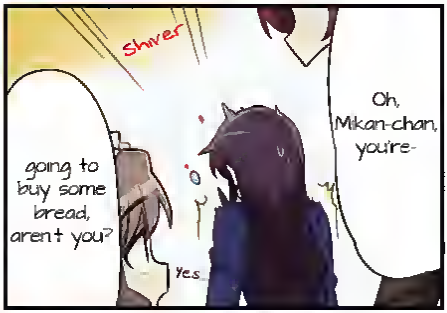
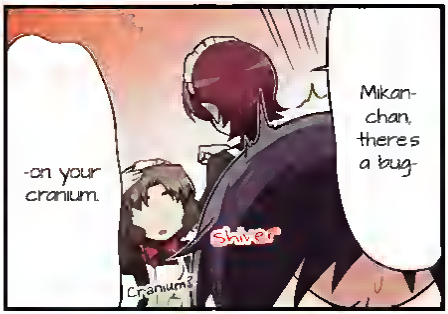
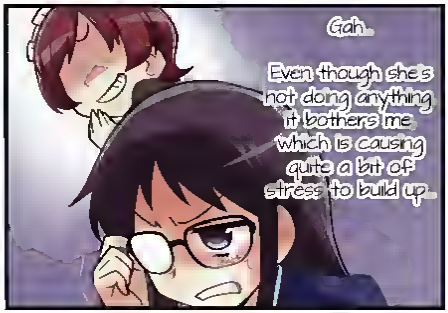
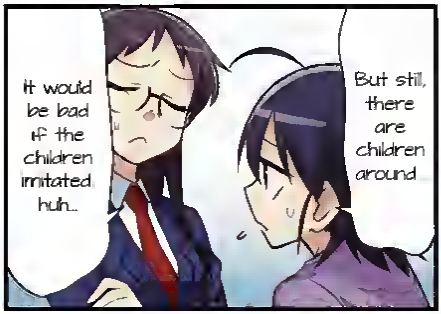
Sheska's Counter-attack







She Became A Sacrifice



TL Note: Due to the Japanese word order Sheska's lines actually end with "pan-" and a misinterpretation between the words for bug and cranium. This causes Noriko to assume Sheska's about to say "panties" and that Sheska has planted some kind of bug on Mikan. The use of "cranium" also confuses Mikan since it's more complicated and unnatural than just saying "head"

But I didn't mean for it to be a yuri manga when it started.
This manga is about girls flirting with each other...

It's yuri, isn't it?
Eh?

I
It is.

And so now I've put that behind me and enjoy drawing it as a yuri manga. But I'm unsure if it is my yuri obsession that caused me to do so unconsciously or if my intention just wasn't clear enough.
It might be fun to read volume 1 through chapter 5 and judge for yourself.
